Philosophy

Our ultimate goal as educators is to build self-esteem. With a positive self-image, successful experiences follow. Early Learning Fun preschool (ELF) is a nurturing environment, staffed with dedicated professionals who will facilitate learning based on trust, respect, and integrity.

At ELF preschool, we have created an age-appropriate curriculum that involves cognitive skills and social interaction. We enhance each day by involving the children in art, music, writing skills, free play, and circle time discussions.

We provide a daily snack followed by outdoor play in a safe, wholesome atmosphere, close to nature, away from busy streets, and with plenty of room to explore!
